Dynamic Fullstack Developer with 2.5 years of experience in the MERN stack. Proven track record in building high-performance web applications, enhancing user experiences, and delivering scalable solutions. Exceptional problem-solver with a passion for leveraging modern technologies to drive business success. Ready to tackle challenging projects and exceed expectations.

### PROFESSIONAL EXPERIENCE

06/2023 – present  
Ahmedabad, India

#### **MERN Stack Developer, Kira Intrilogy**

- Took charge of developing user-friendly features for various web applications, making them more intuitive and efficient.
- Played a major role in important projects like TheStarkidz and OEMUP ERP/CRM, creating essential modules and integrating advanced features.
- Built scalable, high-performance applications.
- Optimized website performance, resulting in a 25% increase in page load speed and enhancing the user experience across different web applications.
- Worked closely with different teams to ensure smooth integration of features and on-time project delivery.
- Always learning and applying new technologies, which led to innovative solutions and improvements in our processes.

12/2021 – 01/2023  
Montreal, Canada

#### **Fullstack Developer, Laurentian Bank**

- Designed and implemented software solutions with the MERN stack (MongoDB, Express.js, React.js, Node.js), enhanced by TypeScript using SOLID principles.
- Built scalable server-side applications emphasizing RESTful APIs and secure authentication with Node.js and Express.js.
- Collaborated with cross-functional teams to rapidly deliver features under tight deadlines.
- Utilized Docker for application containerization, ensuring consistent deployment across various environments.
- Instituted robust code review processes that reduced bugs by 10% and fostered a culture of continuous learning and improvement.

### EDUCATION

01/2019 – 06/2020  
Toronto, Canada

#### **Advanced Diploma in Software Engineering Technology, Centennial College**

- First Class

06/2013 – 05/2017  
Ahmedabad, India

#### **B.Tech in Computer Engineering, Indus University**

- First Class with Distinction
